The Franshoek valley is the prettiest in the land  
 And there did Annie Hugo marry me.  
 Married me, which shall never fade,  
 And to the pretty Annie Hugo, I will till death be loyal.

Enchanting is my Annie, her form so lean and thin.  
 Her cheeks like red roses, her forehead lily white.  
 Her forehead lily white, with eyes sky blue  
 And to the pretty Annie Hugo, I will till death be loyal.

My Love is the spring of a love song and passion.  
 A song resounds, a flower comes forth in every tender kiss!  
 In every tender kiss! O lily, white and blue,  
 And to the pretty Annie Hugo, I will till death be loyal.
